

District Procedures and Practices

- Masks are optional for the 21/22 school year.
- Masks are available in the main office if needed.
- All water fountains are outfitted with water bottle fill stations and are fully functional.
- Hand sanitation stations will remain functional in all common areas.
- **Household close contact cases** will need to quarantine for 10 days.
- **Positive COVID cases** will need to quarantine for 10 day.
- All before and after school activities will return to pre-COVID engagements.
- Fitness Center will reopen for public use Sept 1st.
- All classes will return to pre-COVID procedures and educational practices.
- A virtual learning environment is an option for all students PK-12th grade upon request to Mr. Meshak.
- **Please Note: Per the CDC mandate and Lamers Bus Lines, face coverings are mandatory for anyone riding in a school bus. We will provide any updates to this mandate, but students should be prepared to wear a face covering if riding the school bus.**
