Need an example??

I go to Target to buy some Clothes for my kids for their birthday. I have about \$50 of items in my cart. I go to the RaiseRight App and purchase and E-card from Target for \$50 that gives 4% (\$2) back to the school. I pay for my items with the E-card and BAM! I get my clothes and the school gets \$2 didn't cost me anything!

What a great way to give back to the school then with your holiday shopping! Each store gives back a different percent. So look for your favorite shopping places and help your money make a little more!

Mrs. Adamietz will be submitting a physical card order on the **first Friday of the month** if parents prefer to order through the school instead of the app. It is suggested to create an account so you know what is available. A complete list will be posted on the school website under PTO. Along with an order form. Thank you all for your help and for supporting your school!
