## Driving Off-Campus During Lunch Permission Form

Student Name: \_\_\_\_\_

I request permission for my son/daughter to drive off- campus during his or her assigned lunch period. Our signatures attest that we have read, understand, and agree to comply fully with the conditions below, and with all other policies now in effect, and with any which may be announced later.

1. Students may only drive off-campus during the lunch period.
2. Students exercising off-campus lunch privileges are subject to the rules of student conduct which apply during the regular school day. Any complaints about off-campus student behavior will be handled as if the incident occurred on campus.
3. The students and their parents are responsible for where the student goes for lunch, and are fully liable for the student’s actions while away from campus during lunch. The school assumes no liability for any accident or injury incurred while off-campus during lunch.
4. Off-campus lunch is a privilege, not a right. A student who is referred to the administration for any reason resulting in disciplinary action may have his or her driving off-campus privilege revoked.
