Holidays or Special Days Concern Form

If you do not have any concerns regarding special holidays, it is not necessary to complete and return this form.

Some of the education aspects of your child’s school experience involve activities that are precipitated or reinforced by holidays and/or other special days. The holidays and special days that are typically recognized are Veterans’ Day, Halloween, Thanksgiving, Hanukkah, Christmas, Valentine’s Day, Easter, Birthdays, etc.

If you have religious beliefs that do not allow part or full participation in these activities, it would help us to know which holidays or special days that are a concern. This will allow us to plan and provide meaningful alternative activities for your child.

In the area below, please list those days that are a concern and to what extent your child may participate.
